Mountains Grill *and* Black Bear Pub
186 Clubhouse Drive, Big Canoe GA
(706) 268-3326**

Located on Lake Sconti overlooking the ninth fairway and green of the Creek Course, the Sconti Clubhouse has arguably the most beautiful vista in all of Big Canoe. There are two restaurants here: for fine dining you'll choose the Mountains Grill, and for pub food and a cold beer after a round of golf you'll choose the Black Bear Pub.

The Mountains Grill boasts a magnificent dining room decorated in a comfortable, mountain-home style. The menu is diverse, and beer, wine, and spirits are available from the bar. A very popular favorite is the buttermilk-fried chicken. Soups, salads, tempting desserts... they are all here!

The Mountains Grill is open for lunch from 11-3 on Mondays and Tuesdays. Wednesdays through Saturdays lunch is served from 11-3 and dinner from 5-9 PM. The Grill is closed for dinner Sundays, Mondays, and Tuesdays.

The Black Bear Pub opens for lunch at 11 AM every day. They are open until 3 on Mondays and until 6 on Sundays. Tuesdays through Saturdays they are open all day until 9 PM.

By far the most popular item on the Black Bear Pub menu is their Black Angus burger... available with many different toppings and with several different sides. There is a big screen TV in case you want to watch the ball game, and of course several types of cold beer on tap.

Directions to the Sconti Clubhouse: Turn East off Wolfscratch Drive onto Clubhouse Drive, just south of the village and the Big Canoe Lodge.
