We are a family owned and operated restaurant, where casual is the “rule”. We are located in the heart of Big Canoe community, in the beautiful North Georgia mountains. Come in, relax, enjoy one of our 20 draft beers, a glass of wine or a Tavern Frozen Margarita or Strawberry Daqueri. Our menu is casual, offering wings & burgers, salads & sandwiches....as well as comfort food favorites like meatloaf and chicken pot pie. We also have healthier items like wraps, fish tacos and gluten free options. The Tavern has 7 TV’s , including the 73” “BIG SCREEN”, where you favorite sports events are on the ESPN College Game Plan and the NFL Sunday ticket. We have live music weekly, featuring bands and local solo artists. We invite you to come on over to The Tavern where...”We Appreciate You!”
